The Secretary,

Department of Interior,

Your Excellency,

I the undersigned have been sent to this country to investigate the possibility of successful farming in this locality known as Township 13, and 14, range 22, of 4th. Mer. West. But I have found it to meet with my approval, and that I have succeeded in the way to the persons that were located on lands about the 20th. of June. last to hold on to said land for their future homes. as follows.

Henry G. Harrison, N.E. 34-13-22 of 4th.
Thora V. Brandvoll, N.E. 35-13-22 of 4th.
Carl J. Harrison, N.W.1/4 35-13-22 of 4th.
Ira Burns, W.E. 35-13-22 of 4th.

Bernt Brandvoll, N.W. 3-14-22 of 4th.

On behalf of all the above named persons with descriptions of the land under each name, located on by all the above named parties, I pray and petition you on their behalf to grant them an extension of six months time to prepare themselves financially to meet the requirements necessary to open up a home in a new country. For this reason that there is nothing that a laboring man can get to do in this locality yet, From my actual observance. There are too many here now that cannot get anything to do to save their living.

I herewith enclose a letter of recommendation from Mr. C.J. as down. Hoping for a favorable answer I remain,

Yours truly,

MAY 29 1905

Mr. F.C. Feyen,
Ottawa, Ont.

Dear Sir,

Mr. L.K. Harrison of Flour Lake, Kinmount, who has been sent out here as a representative to investigate for a colony of Flour Lake, Minn., people, who have made location on land east of Clarendon in Township 15 & 14, Range 20, W. of 4th. Whether or not the country will prove to be good for agricultural purposes so that they will immigrate and locate their lands. Mr. Harrison is here and reports the country is a fine one and has written his colony to this effect. He states that there are many from his colony who will not be able to come in till next fall and he is going to write the Dept. to ask for an extension of time for them as they would like to hold their land but they may all be able to settle together on their land. Now, if you can see your way clear to grant this extension I think it will be advisable to do so, as these people are industrious and thrifty and will be a credit to our country.

Very truly,

(Sgd.) D.J. Amundsen.

The Secretary,

Department of the Interior,

Ottawa, Canada.

Dear Sir,

On March 9th inst I filed with the Land Office here an application for cancelation in my favor, of the North West quarter of Section 32, Township ~~xxx~~ 11, Range 5, West of the Fourth Mer.

This quarter was entered for by Dr. John Babington, a practicing Physician and residing somewhere in the United States. To my knowledge this party has only visited this part of the Country once or twice in the last two years. The quarter section he has never spent a night on because there is no buildings on it. Not one foot of it has ever been plowed. The entire section 32 is surrounded by a kind of fence, posts 50 feet apart with two wires. Relatives of this party have entered on the other three quarters and the one fence encloses the entire section. No improvements of any kind have been performed, accept this mile of fence. This party Dr. Babington is not in a position to come to this country and take up the necessary performance of his duties. This statement I make because of the speculation and practice which I have been informed is in the States.

I am in a position to make immediate entry, should you favorably consider my application, besides I am a resident here and will remain here permanently.

Trusting that my application will meet with your approval, I am

Faithfully yours,

The Secretary,

Depart. Interior, Ottawa.

Dear Sir,

About one week ago I wrote you regarding my application for cancelation of N.W.¼ of 32 in Township 11, Range 5, West of the 4th Mer. which I had forwarded to Lethbridge on the 10th inst.

I omitted to say that I had previously entered on S.E.¼ Sec 12, Township 10, Range 6, West of the 4th Mer. and abandoned same owing to illness and not being able to enter within the required time stated, six months. In accordance with my papers of abandonment I received a letter from you dated February 17, 1905. File No. [redacted], in which you stated that a future application from me for homestead entry would receive favorable consideration. This letter I considered sufficient to enable me to again make entry, but by a letter received to day from Lethbridge, I am advised that the quarter section that I have made application for is open and eligable for entry but that my letter from you of the 17th ult does not permit me to make another entry, and that I should communicate with you for such permission.

I therefor ask that you kindly forward me the necessary authority to establish my right for another entry. I understand that several parties parties are likely to get in a head of me now on this quarter section, and as I have another one in view quite near, I would like to be at liberty to choose either at the time I am ready to again file which I hope will be as soon as you grant me the privelege. Thanking you for an early rely, I am

REGISTRATION BRANCH

The Department of Interior,

Ottawa, Canada.

Dear Sir,

I am homesteading N.W.¼ Sec 32 T 11 R 5 W 4th Mer. Entry was given me April 15th. 1908. In July that year I built my house 12' x 14', gable roof house; and dug a well 25ft deep in which I got 12' of good water. I put in two months residence that year. In April 1909 I built a barn 16x16 which cost me $125. I put a iron pump in my well and cribbed the well. I erected some fence in 1908 and in May 1909 completed 1 mile of fence, a three wire fence, heavy barb 4 point wire, with heavy cedar posts 25 ft a part. About the latter part of April 1909 I ploughed and cultivated 5 acres of land from which I took a crop of oats this fall, averaging over 60 bushels to the acre. This year I have put in seven months residence. I have been employed as clerk in The Marshall Hardware Co during all this time and still hold the job. The distance to my homestead from the store is five miles and I drive in and out geting only my dinner in town. It is my intention to prove up my calim in this manner if you approve of it. During the year 1908 in this country in was impossible for a man to make a living on a quarter section of land and in fact until a man gets a good start it is impossible to make a living without some capital to start with. My improvements to date have cost me $575. in cash which represents my entire savings for a year and a half. Neighbours inform me that I cannot prove up my claim unless I give up my job ~~xxxxxxx~~ and say that I liable to be cancelled at anytime by the Goverment, this is why I write you as I want instructions on this point. Does my time and money up to the present go for nothing? I cannot understand that it does. Further I would ask what protection a man gets against people who are inclined to shove cancellation papers against you if you remain off your claim for the winter months or during a sick spell. There are a great many people now who are anxious to worrya fellow with cancellation proceedings who had not the nerve to take a chance on the country a year and a half ago when she was parched and dry out here, now it looks good to them. I would also ask your permission to remain off my claim from now until April 1st next. The winter is getting cold and severe here and I would like to remain in town for the next few months. Thanking you for an early reply, I am

Respectfully yours,

I beg to acknowledge the receipt of your letter of the 16th ultimo, and in reply am to say that you cannot perform the residence duties required by your Homestead Entry for the North West 1/4 of Section 32, Township 11, Range 5, West of the 4th Meridian, and at the same time follow some calling, other than agriculture, in the town of Medicine Hat during the day time. It would appear, therefore, that you have not yet performed any residence which can be counted to your credit in connection with your homestead.

Your request to have your homestead entry protected cannot be entertained and if you wish to retain possession of the land and keep your entry from being cancelled, it will be necessary for you to go on immediately with the performance of the settlement duties in a bona fide manner and in accordance with the regulations. Dear Sir,

In reply to your letter dated January 15th. 1910 file #31974 A. re residence duties. on my homestead NW ¼ Sec 32 T 11 R 5 W 4th Mer.

At the date of entry, 15 April 1908, I understood the residence as I have been putting in was correct. The summary of regulations which you sent me took effect 1st April 1909. I understand there was a previous change in the regulations about July 1908. And the regulations previous to that again should be the regulations that would effect my entry. Is this not correct ?. When I first heard of changes in the regulations I paid no attention to them thinking that the rules at the time of my entry would continue in effect as concerning all entries at that date and previous.

The season 1908 was a complete failure in this district, conditions were very poor in this part of the country such that a poor man could not make a living off a quarter section. We were obliged to work ~~xxx~~ in order to get together enough capital to put improvements on our places.

I think that under the circumstances, even if I am mistaken in regard to the date of regulations, I should be allowed the nine months residence which I have already put in on my homestead. Thanking you for an early reply, I am

(OVER)

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

The Secretary,
Department of the Interior,

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

That I made entry for the above mentioned lands at the Dominion Lands Office at
